

Weasler®

Round Baler Hay Season

Higher value. Smarter solutions.

AUTO LOK YOKE

- Strong cast iron collar
- Hardened internal pawl = High thrust capacity
- Hands-free connection - collar "Auto Locks" onto spline shaft when connected

TORQMASTER FREE MOTION FRICTION CLUTCH

- 0° Free Motion design allows
- "Easy Hook-up"
- Visual Wear Indicator shows clutch disc life
- Unique spring maintains torque level throughout life of friction disc - no adjustment needed
- Housing designed to efficiently dissipate heat and extend life

SPLINE SHAFTING & SLIP SLEEVE

- Heat treated, spline shafting & slip sleeve design
- Smooth telescoping - lowest thrust
- Reduces vibration

CONSTANT VELOCITY JOINT

- Highest performing CV in smallest package
- Internal components heat treated for long life
- Center plates seal in lubrication and keep contaminants out
- Guard system allows for full coverage through entire operating range

EASY LOCK GUARD SYSTEM

- User friendly - easy assembly
- Simple tool needed to unlock safety shield
- No tool needed to lock safety shield

COMPLETE CV DRIVELINE—INCLUDING FREE MOTION CLUTCH

• 58" Overall Length Compressed • 78" Maximum Running Overall Length

1-3/8" x 21 Spline Tractor Yoke • 1-3/8" x 21 Implement Yoke w-Clutch

Part #: 14686602

Case IH / New Holland Models: BR780; BR780A; BR7090; RB564; RBX561; RBX562; RBX563

1-3/8" x 6 Spline Tractor Yoke • 1-3/8" x 21 Implement Yoke w-Clutch

Part #: 14586601

Case IH / New Holland Models: BR740; BR740A; BR750; BR750A; BR770; BR770A; BR780; BR780A; BR7060; BR7070; BR7080; BR7090; RB464; RB554; RBX441; rbx442; RBX451; RBX452; RBX453; RBX461; RBX462; RBX463; RBX564; RBX562; RBX563; RBX552; RBX553; rbx561
